Financial & Office Policies

Insurance: We accept most insurance plans. At each visit we verify your current insurance. If we are unable to verify insurance coverage, you will be expected to pay at the time of service. It is your responsibility to know your plan's benefits and coverage. Please contact your insurance company directly with any questions you may have regarding your plan.

Co-Payments and Deductibles: Co-payment and co-insurance are determined by your insurance. All co-payments must be paid at the time of service. A deductible is the dollar amount you must pay out of pocket during the year for medical expenses before your insurance begins to pay.

Treatment of Minors: Patients under the age of 18 must be accompanied by a parent or guardian to their first appointment. To provide treatment to a minor under the age of 16 without the presence of a parent or guardian during subsequent visits, a signed consent form must be on file. All copays or monies due are expected to be paid at the time of each service. Patients above the age of 16 can be seen alone for subsequent visits.

Non-Payment and Returned Checks: We understand that temporary financial problems may affect the timely payment of your balance. Please communicate your situation with the front desk so that we can assist you in the management of your account. There will be a $25 charge for checks returned for insufficient funds.

By signing below, I acknowledge I have read, understand, and agree with the above policies and statements, and that all my questions have been answered in a language that I understand.
